SUBJECT: H1N1 VIRUS EMERGENCY ACTION COMMITTEE MEETINGS
(EAC) - APRIL 27, 2009

1. (U) The Charge' d' affaires convened the full EAC twice on Monday, April 27th to discuss the quickly evolving developments related to the
2. (SBU) Charge' updated the EAC on the latest actions taken (closing all schools in Mexico) by the Government of Mexico (GOM) and measures t in Mexico remained closed. Post's medical officer then provided an update on swine flu statistics for Mexico City and updated EAC on status of (World Health Organization, Pan American Health Organization, etc.) in country and what information we can expect to receive from them regardir
3. (SBU) The EAC reviewed Mission Mexico City's tripwires to determine if any additional tripwires and/or thresholds were crossed that would tripwires that would lead to a request for authorized departure, most notably an increase to a WHO Phase 5 level (we are currently at Phase 4)
4. (SBU) Actions Taken by Post - Liberal leave was approved for employees with childcare, transportation or family illness concerns. Charge' a virtual town hall meeting on April 27th. RSO and MGT recommended employees stockpile a two-week supply of food, water and medicines in case updated internal warden systems and will conduct an exercise to test/fine-tune the system as well as ensure adequate emergency supplies are on significant absenteeism and emergency plans in CEPA have been updated. Warden messages were updated. Mexico City's late-morning earthquake ser the swine flu outbreak has the post's and world's attention, we must be mindful of other possible security threats and/or incidents.
5. (U) Should you have any questions or comments, please contact the Regional Security Office.
